Washington, DC – Today, Rep. Walz released the following statement recognizing sacrifice of American POW/MIA servicemembers and their families on this national day on recognition:

“Today, we pause to remember and honor those American soldiers who have been taken prisoner or gone missing while they were protecting our nation. We reaffirm our commitment to the sacred promise that we will leave no one behind. We also remember the service and sacrifice of their families and pledge to them we will never forget the heroism of their loved ones.”
